

TERMS OF SERVICE

Effective Date: May 2026 | Document Ref: NVX-TER-2026-V1

Welcome to NovelleyX. By engaging our luxury digital studio, subscribing to our flat-rate career pipelines, or utilizing our custom AI integrations, you agree to comply with the following structural Terms of Service.

1. Service Parameters & Flat-Rate Delivery

NovelleyX offers high-performance development, custom branding, and marketing automation. Our flat-rate monthly plans (Identity Inflow, Velocity Engine, Enterprise Dominance) operate under structured delivery SLAs:

- **Rapid Turnaround:** Tasks submitted in your queue are processed within 24 to 48 hours depending on your tier.
- **Unlimited Revisions:** We iterate on design mocks and code parameters until your exact specifications are achieved.
- **Flexible Pause/Cancel:** Subscriptions can be cancelled or paused at the end of any billing cycle with zero friction.

2. Full Intellectual Property Ownership

Upon payment completion, all custom source code, graphics, branding guides, and database structures built by NovelleyX belong 100% to you. We retain no licensing fees or residual claims.

3. Client Commitments

To maintain our elite development velocity, clients agree to provide necessary assets (copy, branding assets, API keys) in a timely manner. NovelleyX is not liable for project delays caused by client asset latency.

4. Strategic Consultation

Any custom strategy blueprints, AI prompts, and organic SEO roadmaps delivered during our engagements are proprietary systems designed for your exclusive market dominance.
